Step 7 | Signatures

By signing this form:

I certify that I have the authority and legal capacity to open this account and to establish and use any related privileges. I understand that by completing this form, I will be investing in shares that I have identified in this application. For each fund, I have received the prospectus, I understand the investment objectives, and agree to the terms and conditions set forth in the prospectus and statement of additional information.

I authorize DWS Service Company and its agents to act on any instructions (including telephone or electronic instructions, as applicable) they reasonably believe to be genuine for services requested and/or received automatically. DWS Service Company will use reasonable security procedures to provide assurance that telephone or electronic instructions are genuine, including verifying the identity of the caller, and will not be responsible for acting on instructions reasonably believed to be genuine.

I understand that it is my responsibility to monitor the activity in my account, including opening all mail received from the fund promptly, and to protect sensitive account information, including my online username and password. The DWS Account Security Program provides further information on protecting my account. I agree to notify DWS Service Company immediately if I suspect someone has gained unauthorized access to my account.

I authorize my bank to honor all entries to my bank account arising in connection with any services I select or receive automatically. The power will continue if I am disabled or incapacitated. I understand that if I choose to invest in my account through the automatic investment plan, my investments will continue regardless of share price levels, and there is no assurance of profit or protection against loss in down markets. I have considered my ability to maintain this plan during such times.

As the account owner receiving shares transferred as a gift into an existing account, I accept the shares valued at fair market value of the date of gift or the settlement date if the shares should be transferred at a loss.

Please check this box if as the account owner receiving shares transferred as a gift into an existing account, you do not accept the shares valued at fair market value of the date of gift or the settlement date if the shares should be transferred at a loss. If you choose not to accept the shares at a loss a new account will be established for these shares.

I certify under penalties of perjury that:

1) the Social Security or tax identification number provided on this form is correct and may be used for any account opened for me; and 2) unless the box below is checked, I am not subject to backup withholding because a) I am exempt from backup withholding; or b) the Internal Revenue Service (IRS) has not notified me that I am subject to backup withholding as a result of failure to report all interest or dividends; or c) the IRS has notified me that I am no longer subject to backup withholding; and 3) I am a U.S. person (including a U.S. resident alien).

Please check this box only if you are subject to backup withholding. Please include a copy of the notification letter you received from the IRS.

I understand that these Authorizations and Certifications will apply to any DWS Fund investment I make now or in the future and that these terms replace the terms contained in any New Account Application I signed previously. The Authorizations and Certifications apply to each person who signs this Change of Account Ownership form.

I understand that if my account has no activity and/or if no contact is made for certain specified time periods, DWS Service Company may be required to transfer it to the appropriate state under abandoned property laws.

I certify that I have relied on my own judgment or that of my advisor with respect to the suitability of each investment for this account, and acknowledge that DWS has not provided me with a recommendation or with investment, tax or legal advice of any kind.

I understand and consent to DWS' collection, verification, and retention of information (as set forth in this form) that identifies each person who opens an account. I certify that all account information and disclosures made on this form are true and accurate.

Please sign below exactly as your name(s) appears/will appear on the registration of your fund account(s). All account owners must sign. Your signature indicates that you have read, understood, and agreed to the terms stated on this form. The Internal Revenue Service does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.

**If you are a current account owner and will continue to be an account owner, you must sign both under “Existing account owners,” and “New account owners.”**

### Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to your form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a non-Medallion Signature Guarantee, please contact us. We may require additional documentation to complete your request.

† If acting on behalf of the account owner, or an entity such as a Trust, a Company, or an Estate, you must sign in the capacity of your title as it relates to this account, i.e; Maria Perez, Trustee; Mohammad Patel, President; Keisha Jones, Executor; etc. The institution providing the Medallion Signature Guarantee for these types of accounts will require additional documentation. You may wish to contact the institution to confirm the documentation they require to provide you with a Medallion Signature Guarantee.
