

Redemption Request

Use this form to request redemptions from your DWS Fund non-retirement plan account(s). Please note that a different form is required to request redemptions from a DWS Trust Company custodial account (IRA, SEP IRA, 403(b)(7), profit sharing plan, or money purchase plan). Any shares held in certificate form cannot be redeemed until the certificate(s) is returned. If applicable, please send certificate(s) and this form by registered or certified mail to the Kansas City street address listed at the end of this form. The certificate(s) should not be endorsed.

For business or entity accounts, such as corporations, partnerships, associations, trusts, custodial accounts, guardianships, and estates, further documentation may be required. If you need assistance in completing this form, please contact Shareholder Services at (800) 728-3337 or e-mail: service@dws.com

Step 4 | Cost basis information for partial redemptions only (optional)

Consult your tax advisor for more details before completing this section.

You do not need to complete this section if you are redeeming all shares from an account(s) listed above, or if you are redeeming shares purchased prior to January 1, 2012. If you are using your current cost basis method for this partial redemption, you do not need to complete this step.

Your current cost basis method will be used for partial redemptions unless you specify the shares to be redeemed below. If the share amount(s) you provide below does not equal the total amount of shares indicated in Step 3, your current cost basis method will be utilized to complete this redemption. If your current method is "average cost," then shares will be depleted using "first-in, first-out" (FIFO).

If the current cost basis method on your account is "average cost", you cannot use another method for this partial redemption unless you first change or revoke your average cost election. Changing or revoking average cost will then apply to this partial redemption and all future redemptions for this account.

To change or revoke your cost basis method for an existing account or for all future accounts, please log into your account at www.dws.com or fill out and mail the Cost Basis Election form. For further assistance, you may contact us by phone or by e-mail using the information provided at the beginning of this form.

If you would like to utilize another cost basis method on your account for this redemption(s) only, select one of the methods below.

- First-in, first-out (FIFO)
 Last-in, first-out (LIFO)
 High cost
 Low cost

Date of Purchase: _____ Number of Shares: _____

Date of Purchase: _____ Number of Shares: _____
MM/DD/YYYY

*If "specific lot" is selected, please include the date of each purchase and its corresponding number of shares. If nothing is provided, we will redeem using the "first-in, first-out" (FIFO) method.

By signing this form, all account owners authorize the redemption of fund shares. Shares will be redeemed when DWS Service Company receives this form in good order.

A signature guarantee will be required under the following circumstances:

- Mailed to an address other than the address listed on the account.
- Mailed to an address that has changed within the past 15 days.
- If the check redemption proceeds exceed \$100,000.
- Check is made payable to an individual or entity other than the account owner(s).
- If you are signing in your capacity as a custodian, executor, administrator, trustee, attorney-in-fact, or guardian, and are not listed in the account registration, legal documentation verifying capacity may be required. Please call Shareholder Services for more information.
- If you are signing in capacity as a corporate officer, and the redemption privilege does not pre-exist on the account registration, legal documentation verifying capacity may be required. Please call Shareholder Services for more information.

† If acting on behalf of the account owner, or an entity such as a Trust, a Company, or an Estate, you must sign in the capacity of your title as it relates to this account, i.e. Mark Johnson, Attorney-in-fact; Joe Smith, Trustee; John Brown, President; Pat Jones, Executor; etc. The institution providing the Medallion Signature Guarantee for these types of accounts will require additional documentation. You may wish to contact the institution to confirm the documentation they require to provide you with a Medallion Signature Guarantee.

Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to your form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a non-Medallion Signature Guarantee, please contact us. We may require additional documentation to complete your request.
