You agree, further, to report a theft of your checks or checkbooks promptly to the police, to obtain a copy of the police report resulting from your report, and to provide a copy of such police report to us upon request.

7. Cooperation in event of fraud

By requesting the checkwriting privilege you agree that, in the event of any fraudulent occurrence in your Account, including, but not limited to the writing of forged checks against your Account, the altering of checks written against your Account, or the forging of endorsements on checks written against your Account, you will report such fraudulent occurrence promptly to the police, obtain a copy of the police report resulting from your report, and provide a copy of such police report to us upon request. Further, you will cooperate with the police and with us, the Fund's transfer agent, and any of our agents in any investigation of such fraudulent occurrence, and you will complete and swear required affidavits promptly, accurately, and thoroughly. You understand that, if you fail to do any of these things, you may encounter delays in regaining access to assets in your Account.

Electronic fund transfer act disclosures

The DWS Money Funds ("Funds") will accept Automated Clearing House ("ACH") debit entries for accounts that have elected the checkwriting redemption privilege. An example of an ACH debit is a transaction in which you have given your insurance company or health club the right to withdraw your monthly payment from your account. Sometimes, you may give a merchant from whom you wish to purchase goods the right to convert your check to an ACH debit. You may also authorize a third party to initiate an individual payment in a specific amount from your account by providing your account information and authorization to such third party via the Internet or telephone. The important information and disclosures set forth below apply to such electronic fund transfers and the accounts to which they are made. For purposes hereof, the terms "we," "us" and "our" shall mean (i) any Funds held in your account at any time; (ii) the Fund's transfer agent and/or shareholder service agent, (iii) your financial advisor or broker holding Shares of the Fund in an omnibus account or street name on your behalf, if applicable, and (iv) their respective affiliates, officers, directors, employees, and agents.

1. Use of account numbers

Upon receipt of an ACH debit entry referencing your account number, you authorize us to redeem Fund shares in your account to pay the entry to the third party originating the debit. You agree that we will make the payment on the basis of the account number that you provide to your merchant and will not compare this account number with the name on the account. Neither we nor any other person or system handling the transaction is required to determine if there is a discrepancy between the name and the account number shown on the transfer instructions.

2. Sufficiency of account balance

The payment of any ACH debit entry will be subject to sufficient funds being available in the designated account. We will not be able to honor an ACH debit entry if sufficient funds are not available. You agree not to initiate or authorize any ACH debit entry transaction on your Fund account in amounts exceeding the amount of Shares of the Fund then in the account and available for redemption. We may refuse to honor ACH debit entry transactions whenever the right of redemption has been suspended or postponed, or whenever the account is otherwise impaired. Your Fund account statement will show ACH debit entries to your account; you will not receive any other separate notice. (Merchants are permitted to convert your checks into ACH debits only with your prior consent).

3. Preauthorized transfers originated by third parties

You may authorize payment of a specific amount to be made from your account directly by us to third parties on a continuing periodic basis. To arrange for this service, you should contact the person or company you will be paying. Any preauthorized transfers will be subject to sufficient Shares of the Fund being available in the designated account. A preauthorized transfer will continue to be made from the account in the same amount and frequency as initially established until you terminate the preauthorized transfer instructions with the person or company that you have been paying. If regular preauthorized payments may vary in amount, the person or company you are going to pay should tell you 10 days before each payment will be made and how much the payment will be. If you have told us in advance that a third party will make regular payments out of your account, you may stop any of these payments by writing or calling us at the address and telephone number listed in bold typeface on the front of this disclosure in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require that you put your request in writing so that we will receive it within 14 days after you call. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your loss or damages but not in an amount exceeding the amount of the payment. A stop payment order will stop only the designated periodic payment. If you wish to terminate the periodic preauthorized transfers, you should do so with the person or company to which you have been making payment.

4. In case of errors or questions about your transactions

Call or write us at the address and telephone number shown below as soon as you can if you think your statement is wrong or shows an improper transfer, or if you need more information about a transfer listed on the statement.

DWS Service Company
P.O. Box 219151, Kansas City, MO 64121-9151
(800) 728-3337

Our business days are Monday through Friday, except holidays. We must hear from you no later than 60 days after we send you the FIRST Fund account statement on which the problem or error appeared. If you do not notify us within 60 days after we send you the account statement, you may not get back any money you have lost, and you may not get back any additional money you lose after the 60 days, if we could have stopped someone from taking that money had you had notified us in time. Tell us your name and account number. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send your complaint or questions in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for certain types of transactions) to investigate your complaint or question. If we decide to do this, we will credit your account with escrowed Shares of the Fund within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or questions in writing, and we do not receive it within 10 business days, we may not credit your account. We will tell you the results within 3 business days after completing our investigation. If we determine that there was no error, we will send you a written explanation. You may ask for copies of documents that we used in our investigation.

5. Liability

In the event we do not complete a transfer from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. We will not be liable to you if (i) there are not sufficient funds available in your account, (ii) circumstances beyond our control (such as fire or flood and malfunction of equipment) prevent the transfer, (iii) you or another shareholder have supplied a merchant with incorrect account information, or (iv) a merchant has incorrectly formulated an ACH debit entry. In any case, our liability shall not exceed the amount of the transfer in question.

6. Disclosures of information to third parties

We will disclose information to third parties about your account or the transfers you make: (i) where it is necessary for completing the transfers, (ii) in order to verify the existence or condition of your account for a third party such as a credit bureau or a merchant, (iii) in order to comply with government agencies or court orders, or (iv) if you have given us written permission.

7. Governing law

You acknowledge and agree that ACH debit entry transactions are governed by the Fund's prospectus and the rules of the National Automated Clearing House Association ("NACHA") Operating Rules, and any local ACH operating rules then in effect as well as Regulation E of the Federal Reserve Board. The acceptance and processing of ACH debit entry transactions are established solely for your convenience, and we reserve the right to suspend, terminate or modify your ability to redeem Fund shares by ACH debit entry transactions at any time.
